

Gordon Bell Pre-Registration Process: 2024 – 2025 Students entering Grade 10

This is a checklist for Grade 9 students applying for Grade 10 classes in 2024 – 2025.

Please discuss the following points with your parent(s) / guardian(s):

- Prior to selecting your courses, we strongly encourage you to go to the Gordon Bell High School webpage to consult the following resources:
(all found under the Student Resources → Pre-Registration Planning tabs)
 - **Graduation Requirements:** Learn how many credits are required and which specific courses are needed for graduation.
 - **Student Handbook:** Read descriptions of all courses offered at Gordon Bell to get a better understanding of what a course is about.
 - **Math Info. Sheet:** Consult to help you figure out which Math stream is best for you.
 - **English Info. Sheet:** All grade 10 students take the same English course.
 - **Post-Secondary Requirements:** University and college programs often have prerequisites, require a minimum number of 40S classes, and may require you to take a specific Math (i.e. Pre-Cal) or Science course (i.e. Biology, Chemistry, and Physics).
When selecting elective courses, we strongly recommend you consult this document first.

- Use the chart on the back of this page to select the courses you wish to register for. The courses that have prerequisites are indicated by a double asterisk (**). Please ensure these prerequisites have been met before registering in a course.

Note that you will be required to sign up for:

Compulsory (Mandatory) Courses: See “Graduation Requirements” sheet on the website.

Elective (Option) Courses: Select up to five courses and rank them in order of preference, with 1 being the one you want the most.

- It can also be helpful to speak with teachers, your counsellor or Career Advisor to help plan the best possible educational path. Please follow-up with them as needed.
- Bring this completed form with you when you pre-register here at school, as it will make it easier for you to fill out your online application. You will be given your pre-registration forms to take home.
NOTE: You are not registered for 2024-2025 until those forms have been signed and returned to the main office!

Parent(s) / Guardian(s) / Care Giver(s):

Your son / daughter will be registering on-line for next year’s courses between Wednesday, February 14th and Friday, February 16th. The purpose of this sheet is to help your son / daughter plan their course selections for the 2024-2025 school year. Please follow the steps above, and discuss with your son/daughter their course selections.

Your son / daughter is to have this sheet with them when they pre-register.

Upon registering students will receive a printed copy of course requests that they will be bringing home to have signed by you. Please use a pen to indicate any changes to address, phone number, etc.

Signed pre-registration forms (not this sheet) **must be returned to the main office by Wednesday, February 21st.**
All students who return their signed pre-registration forms to school by February 21st, will be entered to win some amazing prizes!

Please sign below indicating you have reviewed and approve of the course selections made on the back of this sheet:
