

Grant Park Grad 2025

DECEMBER

Committee News

Fundraising has begun

Your organizing committee of students and parent volunteers has been busy planning this year's graduation dinner and safe grad event. We typically meet on the first Monday of every month.

We are expecting a total of 198 graduates this academic year. To keep ticket prices low and cover all the venue costs, food, decorations, and entertainment, we need to raise **+\$30,000**. Your support is needed!

In addition to promoting participation in various in-school and community fundraising events, we are looking for sponsors. We hope you will join with others in the local business community in helping us by making a financial contribution. Grant Park Grad offers sponsorships at various levels. Qualifying contributions will receive a tax credit. For more information contact: GPSafeGradCommittee@gmail.com or Grant Park High School at (204) 452-3112.
