Parking Lot – Student Pick up/Drop off

In order to ensure student and staff safety, we ask that students/parents/guardians use the drop-off area on Nathaniel Street to drop-off or pick-up your GP student especially during peak school hours 8:15 am, lunch hour and 3:30 pm.

Please be aware there can be a lot of traffic congestion on Nathaniel, therefore, we recommend you arrange a pick-up or drop-off point with your Grant Park student. Students can use the crosswalk on Nathaniel to get to the mall lot. Please be aware that traffic services monitors and enforces along Nathaniel and adjacent streets.

There is no student parking. **The school lot is reserved for school staff only.**

We appreciate your cooperation in keeping our students/staff safe by refraining from using the staff parking lot.
