Dear Parent(s)/Guardian(s):

This letter is to let you know that there will be service dogs in our school this fall to assist some of our students.

These certified service dogs are highly-trained working dogs for our students and assist in many routine activities which may pose some challenges for these students. Certified service dogs are necessary for the student's success and are included in every aspect of the student's life. The rights of the service dog team are protected under Human Rights legislation.

There will be information shared at the school this year, as in the past, to support the inclusion of service dogs into our daily routines. All students and staff will be reminded as to proper protocol regarding the service dogs. They will be informed that the service dogs are working dogs at our school and are not pets.

Thank you for your understanding and support.

Sincerely,

Jamie Hutchison  
Principal
