November 2023

◆ Message from the Administrative Team

Dear King Edward Families,

We have had a great start to our school year and we are encouraged to see students settle into classroom routines and new school experiences. Teachers are working hard to prepare excellent learning opportunities for their students, every day. Our amazing learners continue to be engaged in rich learning activities. It is rewarding to watch their social and academic skills grow on a daily basis.

Remembrance Day Service will be held on **Thursday, November 9th at 10:45 am**. Families are welcome to attend the service in the gymnasium, we hope to see you there.

King Edward School is excited to announce that we have a new addition to our coaching team, we welcome our Math Mentor Coach -Adam Phaneuf. Through the Math Mentor Coach program the whole school will be embarking on a mathematical journey of exploration and mathematical thinking.

You are invited to **"SISTEMA FAMILY NIGHT"** on November 15th show begins 5:00 pm sharp. We will be serving a light snack for the evening and would love to have you out to support our Sistema participants. We hope you take the time to enjoy in celebrating our musicians!

With the cooler weather coming soon please be sure your child is dressed to comfortably play outside at recess time. **A reminder that students should be arriving at 8:50 am and 12:55 pm to start their classroom learning focus in the morning and afternoon.** If your child needs a jacket, hat or mitts please contact our Community Support Worker—Lee at the school. This year we are running Coats for Kids, there are forms available in the Family Room if your children require a coats for winter. Please come down and fill a form today!

We really appreciate seeing all of our families at drop-off and pick-up times. **We need all families to be on time for pick up of students at 3:30 pm.** Please take care of yourselves and one another so we can all be safe in our community.
