Principal's Message

It is hard to believe that another school year has come to an end, where has the time gone? It seems like only yesterday that we were welcoming students into a new school year and thinking about all the work, and fun, that was ahead of us. As July begins, we look back fondly on the learning, activities, and events we experienced this year...wow, we have made some memories!

A special thank you to our Parent Council and Carnival Committee. They have worked hard all year to ensure that an École LaVérendrye tradition continues. The carnival was attended by so many families and the smiles, laughter, and fun-filled the community with joy. I know that this is an event that is looked forward to each year by all.

We are inspired to continue to build our school-community relationship and, even though we are looking forward to the summer holidays, we are excited about what the new year will hold. We have already started making some plans that we know will get everyone excited!

We wish our Grade 6 students farewell and all the best as they embark on the next chapter of their journey—junior high! We are proud of all that you have accomplished and of who you have become. As Dr. Seuss said, "You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose", so steer yourself towards greatness. If you believe it, you can achieve it!

I want to say thank you to all families and students for the warm welcome that you gave me this year. Your positivity, encouragement, and support has made me feel part of the community.

We look forward to seeing everyone at our Meet the Staff BBQ event Tuesday, September 5th. This will be an informal meet and greet complete with BBQ, conversations, and loads of fun!

Have a safe, fun, and wonderful summer!

Warm wishes, Mme Amanda Capina
