

We hope this newsletter finds you happy, well and warm!

February is “I Love to Read Month!” Reading at home with your child is one of the best ways to help build your child's vocabulary and comprehension. If you need help finding books appropriate for your child, please feel free to connect with the classroom teacher through Seesaw for suggestions or materials.

We have planned fun events and activities including Bingo and Battle of the Books for individual classrooms and the whole school during I Love to Read week. Our theme this year is “Our Voices are Unique”. Our Empowerment group will be using their unique voices to share stories of Louis Riel, Black History Month and Canadian Indigenous Trailblazers with our students during I Love to Read.

All students in grades 3-6 will attend Festival Du Voyageur on February 23rd! Our grade 3-6 students will bring back their experiences to share and extend their knowledge with the Nursery-grade 2 students!

The Mobile Vision Clinic will be here February 14th and 15th. A yellow consent/non consent form was sent home at the beginning on the school year. If you have not already done so, please return this as soon as possible.

We have a number of exciting after-school programs being offered. All students must be registered to participate:

- **SPIN Soccer** for grades 1-3 on Tuesdays at either 4:30 or 5:30
- **Filipino Heritage Class** beginning February 8th from 3:30-5:00
- **Grade 4 ArtClub** Tuesdays from 3:30-4:30, until February 20th
- **Grade 5 ArtsClub** beginning February 27th from 3:30-4:30

Happy early Valentine’s Day!

Have a great month,

Ms. Asmundson & Mrs. McCartney
