

LORD SELKIRK SCHOOL: Summer Newsletter 2025

Lord Selkirk School staff are so grateful for all the community support that we received during this school year. Parents, community members and different resources from our school division made this school year run smoothly. Our students worked very hard to learn and grow at different points of the year. We have observed students become confident in their reading, mathematical reasoning and critical thinking skills. Music, performing arts and physical education are areas students have explored and thrived. Outdoor education, land-based learning and the Indigenous ways of life evolved this year and became part of our school life experiences. The three Bs at Lord Selkirk; Be Safe, Be Respectful and Be Cooperative, continued to be ongoing guidance to how we treat ourselves and one another.

To know more about our learning experiences at Lord Selkirk School for the 2024-2025 school year, check out our school community report that will be emailed to all parents and will be posted on our school website.

We are grateful to COSTCO for donating backpacks for all our students for next year. Students will receive their backpacks during their 'meet the teacher time' on September 2nd, 2025.

**Have a
safe and
relaxing
summer!**

We are looking forward to seeing all of our students back at school in the Fall!

DATES TO REMEMBER

September 2nd - Meet the teacher - 3:30 - parents and their children come meet the staff at Lord Selkirk.

September 3 - Classes start for Grades 1-6, Staggered Start for N/K (Information will be sent out in the Fall)
