Dear Parents/Guardians,

We look forward to having you and your child as part of the Elmwood High School community. At Elmwood we strive to ensure all students have **PRIDE** in themselves and their school, have a **PLACE** where they belong and find their **PURPOSE**.

WSD is streamlining the student registration process for all WSD schools for the upcoming 2025/26 academic year with a new online registration process.

Students who are registering at a new school for the 2025-2026 school year can visit www.winnipegssd.ca under the student registration tab for timelines, frequently asked questions and to complete the registration process.

Early registration assists schools with programming and ensures desired optional classes for students. Registrations and school specific information can be found at www.winnipegssd.ca/Elmwood. Please note, students will need their MET# (which can be found on a report card as provincial student number) to register.

If you require assistance with the registration process, please visit us at the school.

Thank you

Mrs. Carino
Vice Principal
Grade 7-8
