JANUARY 7, 2022

Hello Machray Parents & Guardians,

This is Daniel Braga, Principal of Machray.

This is not the return to school that any of us wanted but we are working hard and doing our best to provide a healthy and welcoming return for our students on the 17th.

Please know that Monday afternoon starting at 1pm and all-day Tuesday we will have a station in the front lobby of the school so that you may come pick up homework packages. Staff will meet you outside the front doors and get the materials to you.

At this time, you can also pick up the Rapid Antigen Test kits for your children. The kits must be picked up and signed for by a legal guardian.

Also, please remember about the Vaccine Clinic that will be held at Machray on January 13. The clinic is open to all students over the age of 5 and their guardians. Students must be accompanied by their legal guardians and have their health card available.

If you have any questions please do not hesitate to call us.
204-586-8085

Stay healthy and have a great weekend.
