Dear Principal Sparling Community,

We hope everyone in our school community was able to reflect on Monday, September 30th for National Truth and Reconciliation Day. As mentioned at our TRC Day ceremony, we will continue to learn more about the “Calls to Action” by having every classroom lead our learning in our monthly assembly. The 94 Calls to Action was given to us by the Truth and Reconciliation Commission in 2015,

This past Tuesday, we had 20 students participate in our annual divisional soccer tournament at Tec Voc. Our two teams played soccer for an entire morning in front of family and friends. Our athletes work hard, had fun and were great representatives of our school. Mr. Sharp our PE teacher also registered our grade 6 students to play indoor soccer once a month at the University of Winnipeg. Good luck in ~~all~~ your games Grade 6!

The weather finally dipped below zero and we have turned the heating system on to keep us warm. We are reminding students to dress appropriately for the weather as we will continue to enjoy outdoor recess when we can. Despite the cool temperatures, our classrooms continue to go outside for fresh air and to learn more about our environment.

Finally, we celebrated “Support Staff Appreciation Week” by having snacks in the lunch room. Thank you to our incredible Educational Assistants, Custodians and Head Clerk Yzza, for the service they provide our school everyday. We are grateful to have such a wonderful team at Principal Sparling School.

Enjoy the fall season everyone and we will see you next week.

Actively yours,

Lloyd Rana
