Fri-yay Flyer!

November 8, 2024

Dear Principal Sparling Community,

We have been busy this fall season and this is a much needed update as I have not posted a Fri-yay Flyer in awhile.

The classrooms have frequently updated their display boards and have posted incredible pieces of art and literature. If you are in our building, I invite you to check out our incredible student work.

We have celebrated our first “Calls to Action” assembly, that was hosted by Rm. 15 and we recognized our student athletes, patrols and drum club members. WE also awarded our first PE and Music class of the month. We look forward to getting together every month to learn, celebrate and lift up staff and students at our school.

Yesterday, we observed Remembrance Day. It was an emotional experience, filled with student performances and shared with members of our school community. We were blessed to have two members of our military, past and present, join us for the morning.

This month, report cards will be sent home and our first Parent Teacher Conferences will occur on the 21st and 22nd of November. And before you know it, our children will be performing on stage for our winter concert on the 10th December.

Enjoy the warm and mild fall we are having and enjoy the success of our Winnipeg sports teams!

Actively yours,

Lloyd Rana
