

Principal Sparling School

Fri-yay Flyer!

Dear Principal Sparling Community,

We made the best of a rainy, cloudy, overcast week. It's amazing to see how resilient children are and the joy they can find when given opportunities to play and explore.

Next week will prove to be our busiest week this year. We have the following planned activities and events.

Monday, Sept. 23rd. First fire drill and evacuation exercise to Sargent Park School. We have monthly fire drills to remind students of how to keep safe in case we have an emergency.

Thursday, Sept. 26th. Terry Fox Run. We plan to celebrate and remember Terry Fox in the afternoon and we are encouraging families to join our "Twoonies for Terry" fundraising initiative.

Friday, Sept. 27th. Truth and Reconciliation Day. We are planning to recognize TRC Day in the afternoon and we are inviting our families to join us. A parade led by our Drum Club, followed by a smudge and a few words from Mr. Rana and Mr. Mercredi. We will conclude with students tying miniature orange shirts around the fence.

Join us every morning for our new Breakfast Program (8:30-9:00am.)

Have a great weekend everyone!

Actively yours,

Lloyd Rana
Principal
