2023

Dear Parents and Guardians,

We are on our third month together and time is flying by. On October 31st, we had an incredible Halloween parade and celebration in our gymnasium. Staff and students proudly shared their costumes to applause and cheers. The energy was electric and the sounds of joy echoed throughout our school. Your children are amazing and the Halloween school celebration will be one of my favourite memories at our school.

As we transition into the colder months, we are reaching out to ask for your support in ensuring that all our students are warm and comfortable during the winter season. We are requesting your support to create a community closet of winter gear for all students to access.

We kindly request donations of gently used winter clothing items such as coats, hats, gloves, scarves and boots. These items will go a long way in keeping our students warm and ready to learn.

Please drop off your donations in the designated collection bin located in the school's main lobby. We will be accepting donations during the winter months.

Your generosity will help us create a caring and supportive environment for all students. Thank you for your kindness and for being a part of our wonderful Principal Sparling School Community.

Please see the attached November calendar for some of our important dates.

Actively yours,

L. Rana
Principal
