

Hello Queenston School families,

The Queenston Carnival Committee has been hard at work planning the 2024 Queenston Carnival! The Carnival is a fun-filled community event and school fundraiser, organized and run by QSAC, and with the help of many Queenston families, including students and former students. The event will include bouncy structures, games, music, arts and crafts, face painting, pizza, carnival-themed food, a variety of carnival games, and prizes! All families, neighbors, and community members are invited.

To help us with the planning process, if families could fill out the pre-order [Google Form](#). Here you can pre-order and **pre-pay** for your food, money cards for activities, and wristbands for the bouncy structures and foam party. Most items will still be available for purchase during the Carnival, but the Google Form gives us an idea for numbers - **so if you are able to pre-order and pre-pay by Friday, May 24**, that would be a big help.

If you are unable to attend but would like to support the Carnival, you can make a donation - just indicate the amount on the Google Form, and send the e-transfer to the email address below. Unfortunately, QSAC is not a registered charity and cannot issue a tax receipt.

All Carnival food and activities (with the exception of the 50/50 draw) will use the special money cards for payment. The cards come in \$10 and \$20 options, each with 50 cent increments. Children can participate in unlimited trips to the bouncy structures and foam party by purchasing a wristband for \$7, or they can do single plays for \$2 each.

Please **e-transfer funds** to qsac.treasurer@gmail.com and include **Carnival** in the e-transfer comments.

We will make arrangements with Queenston families to deliver their money cards, wristbands, and food tickets prior to the Carnival, or families can also pick them up at the ticket counter on the day of the Carnival.

Looking forward to seeing you Thursday, June 6 from 5:00 - 8:00pm!

Sincerely,

The Queenston Carnival Crew

Prizes

Prizes will look a little different this year. On the back of the money cards there are spaces for check-marks. When your child participates in a carnival game, they will earn a check-mark, or check-marks depending how well they do. When they are finished playing for the evening, they will turn-in their cards for a prize. More check-marks your child earns, the better the prize. So don't lose or throw out those cards!
