Dear Queenston Families,

November is here and so are Report Cards and Parent-Teacher-Student Conferences!

Report Cards will be sent home on Monday, November 13, 2023 at 3:30pm via School Messenger. This year, there are some slight changes in how student progress is reported on the Provincial Report Card. All students will continue to receive comments for their *Strengths* and *Challenges/Next Steps*, however, the checklist will now reflect progress on current grade curricular outcomes. This means, students, who are accessing their current grade level curriculum will receive indicators between 1-4, while students, who are not currently working at grade level and accessing different curricular outcomes based on their ALP (Academic Learning Plans) will receive ND. NA will continue to be used for subjects/skills that have not yet been taught and IN will be used to indicate that further assessment is required.

Parent-Teacher-Student Conferences are scheduled for November 16 (evening) and November 17 (all day). To book an appointment with your child's teacher(s), please visit *School Interviews* website <https://schoolinterviews.ca/code/73kbq> and enter code **73kbq** or follow the QR code below. Please note that the site will be active as of November 14, 2023 @ 9:00am.

As always, we greatly appreciate your partnership in learning. If you have any comments or questions, please contact the school.

Sincerely,

Michelle Namaka  
Principal
