## Information

### Remembrance Day – Request for Photos

This year Queenston’s commemoration of Remembrance Day will be held on **Thursday, November 7<sup>th</sup>** at 10:45 a.m. I am preparing a PowerPoint presentation including photos of family members of our Queenston students who have served in wars and conflicts in recognition of their services to Canada, and to keep the memory of their sacrifices alive. If you would like to include a photo in this presentation, please send a digital copy to me ([dklassen@wsd1.org](mailto:dklassen@wsd1.org)). **Deadline for submission of photos is November 1st.** Please make sure to include any pertinent information (name, relationship to your child(ren), your child(ren)’s name(s), branch of service, etc.)

Please note that submissions sent in previous years will be included. They don’t need to be sent again.

**Mrs. D. Klassen**

### Mad Science

Mad Science will be offered to students in grade 1- 6. Mad Science will take place on Wednesdays after school from October 23, 2024 – November 27, 2024. Please complete registration, if your child is interested.

### Personal Toys

There have been an increased number of students bringing toys to school from home. Although we understand that toys are very important to students and a great way for students to connect with others, we would like to request that toys stay at home. This would help ensure that toys stay safe and also help with students who do not have toys feeling excluded.

## QSAC (Queenston School Advisory Council)
