Bikes/Scooters/Skateboards

Students are welcome to ride their bikes, scooters or skateboards to school. However, once they arrive at school, these items need to be securely locked outside on the racks provided, as there is not enough storage space in the school for students to bring these items inside.

**Please note that these items are brought to school at the discretion of families. The school does not assume any responsibilities for these items*

Personal Toys

There have been an increased number of students bringing toys to school from home. Although we understand that toys are very important to students and a great way for students to connect with others, we are requesting that toys stay at home. This would help ensure that toys stay safe, and also help with students who do not have toys feeling excluded.

Lunch Program

The Winnipeg School Division is moving towards a no-fee lunch program. We know that QSAC has done an amazing job providing the best care over the noon hour but, as of September 2025, QSAC will no longer be responsible for the lunch program supervision. The Queenston staff (Teachers, EAs, and Principal) will be providing supervision over the lunch hour starting in September. We are still working out all the details and will share more information in the upcoming months.

Classroom Compositions

In the coming weeks, we will be making decisions about classroom compositions and student placements for the 2025-2026 school year. There are many factors that go into these decisions including student numbers, diversity of academics and social-emotional needs, student friendships, as well as the number of years a student has been with the same teacher.

Dear Community Member,

The Queenston School Advisory Council (QSAC) is excited to be hosting our annual Carnival Fundraiser on June 5th! This highly anticipated event brings together students, families, and community members for an evening filled with games, food, laughter, and fun — all in support of our wonderful school.

One of the highlights of our Carnival is the door prize draw. To make this part of the event extra special, we are reaching out to generous individuals and businesses in our community to ask for donations of door prizes. Whether it's a gift card, merchandise, service, or a fun experience, your contribution will help make our event memorable and successful.

We would greatly appreciate any donations made. We will show recognition to all donors on a display board at our Carnival and in our school newsletter. Your support not only helps us raise funds for enriching programs and resources at Queenston School, but it also strengthens the connection between our school and community.

If you are interested in contributing a prize or would like more information, please contact us through the school office at 204-489-3423 or email the Carnival Committee Chair Stefanie Davies at: stefaniedavies86@gmail.com

On behalf of the students, staff, and families of Queenston School, thank you for considering our request. Your generosity truly makes a difference!

Warm regards,

Queenston School Advisory Council (QSAC)

QSAC – Queenston School Family Directory

Please see link below for a simple Google Sheets we are calling the *Queenston School Family Directory*. If you would like to add your information to the directory, please fill out the necessary information - using the tabs at the bottom of the sheet - the tabs are separated by the teachers/classes. **This directory is being built using voluntary submissions and is by no means mandatory.** The purpose of the directory is to build community between classmates and families and will help with planning extra-curricular activities and such.
