MATT HENDERSON
SUPERINTENDENT

April 4, 2024

Dear Families,

Re: Solar Eclipse – Monday, April 8th, 2024

A total solar eclipse will take place on Monday, April 8th between noon and 3:00 pm.

While this event is an incredible celestial experience, there are some risks to one's vision if precautions are not taken.

WSD takes advice from Public Health and proceeds accordingly. Please see the attached PDF.

All WSD schools have made plans for their learners that make sense based on the schedules, age group, and design of individual school communities. These plans have already been sent home or will be shortly. Should you have any questions or concerns, please contact your child's teacher or principal.

Staff at all our amazing schools will be working with learners to teach not only about safety, but also the incredible miracle that is the universe.

Sincerely,

Matt Henderson
