- Glenlea Plant Delivery – please see message below from Kaili:
I am sending a quick message out to our Queenston School community to see if anyone is interested and available to lend a hand to sort plant orders.

The delivery truck will unload the plants around 10:00 am (it usually takes an hour or so for them to fully unload and organize). I am looking for help from **11:00 am until 2:30 pm** to sort orders. We aim to have everything ready for pick up between 2:30-4:30 pm.

If you are interested and available to help sort plant orders on the 14th, I would appreciate any time you're willing to contribute. I have a link below to help organize volunteers, however, I completely understand if a two-hour block is not possible for you. I am happy to have you for an hour during the intense order-filling time! Just let me know!

QSAC Garden Committee

Karen Miller would like to thank QSAC and all the volunteers who came out on Sunday, May 5 to help with the Garden Clean-Up. The weather cooperated and a lot of fun and learning was had. Comments such as, *'I will take more interest in this area, now that I know how much work goes into it!'* and *'I've noticed the neighbourhood takes more pride in the community now'*, were very supportive of the garden vision. Please see pictures below!
