Information

Student Birthdays

We understand that birthdays are extremely important days for all students. As a school, we will acknowledge each student's special day over the PA and in the classroom. However, because of allergies and concerns over shared items, we are asking families to refrain from sending any food items. We greatly appreciate your understanding and cooperation with this matter.

Food Allergies

Please be advised that Queenston has students with nuts (peanut and tree nuts) and fish (fresh and shellfish) allergies. Please try to refrain from sending items that contain or may contain these items for snacks and/or lunches.
