Dear Students,

As we come to the end of another wonderful school year, we want to celebrate *you*, the students of École Riverview School! This year has been full of growth, learning, laughter, and kindness and it's all because of the positive energy you brought into our school every single day.

Thank you for your hard work, your curiosity, and your eagerness to learn. You've amazed us with your creativity, determination, and the way you care for one another.

We also want to say a big thank you to your families, who have supported you every step of the way, cheering you on and partnering with us to make this year a success. And of course, a heartfelt thank you to our teachers and staff, whose dedication, care, and passion for teaching helped make every day at school a place of discovery and joy.

As we head into summer, we hope you take time to rest, play, explore, and enjoy time with family and friends. Keep reading, stay curious, and don't forget to take pride in everything you've achieved this year.

Have a safe, fun, and relaxing summer—you've earned it!

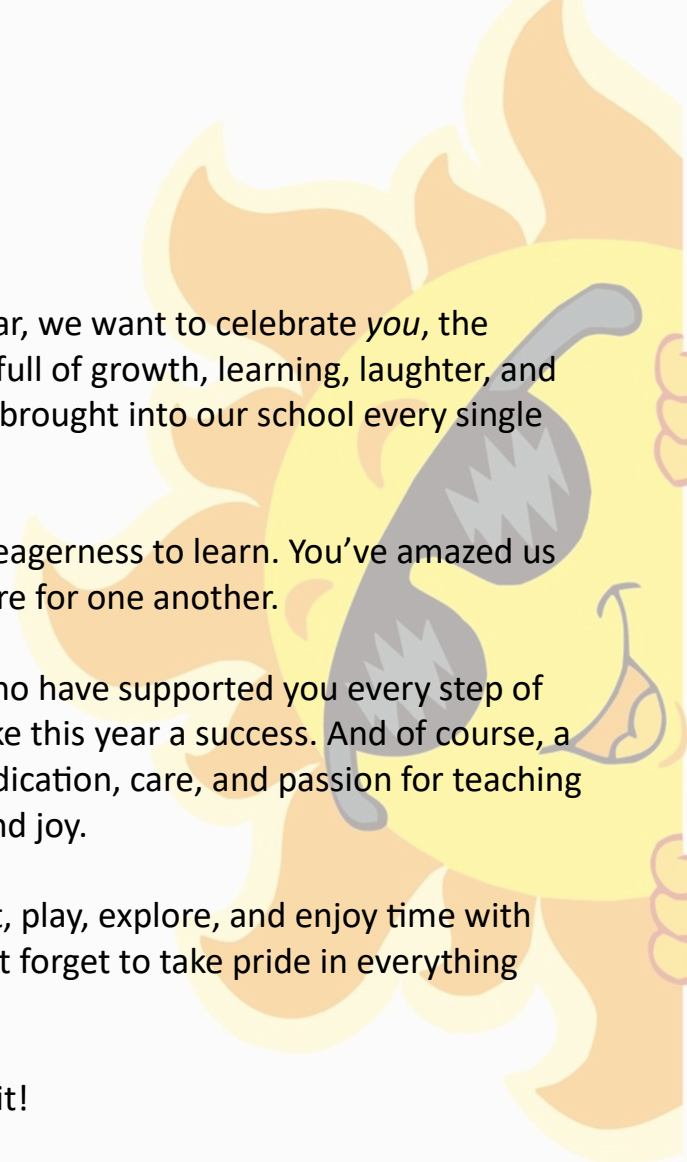

For those of you returning to ÉRS, we look forward to welcoming you back in September. And to our students who are moving on to new adventures, we wish you all the best.

Remember, you will always be a part of the ÉRS family!

With pride and
appreciation,

The École Riverview Staff

ENJOY
SUMMER

Bonjour École Riverview School Community and Families,

I am thrilled to be joining the École Riverview team as Vice-Principal starting in September 2025. It is truly an honour to have the opportunity to work alongside such a dedicated staff and vibrant student community. Since beginning my teaching journey in 2001, I have had the privilege of serving in various roles within French Immersion and dual-track schools. My experience includes working as a classroom teacher, resource teacher, reading intervention teacher, and student services teacher in both the Pembina Trails and Louis Riel School Divisions.

At the heart of my educational philosophy are relationships. I believe that a strong sense of connection and belonging is the foundation for students to explore their creativity, stay curious, collaborate meaningfully, and thrive. To develop the essential skills of reading, writing, numeracy, and critical thinking, students must first feel emotionally and physically safe. I am committed to helping create a learning environment where every child feels seen, understood, valued, and empowered to take risks and learn from them.

Outside of school, I am a spouse and mother of three, as well as the proud owner of a mini golden doodle. I enjoy reading, baking, forest walks, and spending quality time with my family and friends. I am also deeply passionate about social justice, diversity, and equity, and I strive to be a lifelong learner in both my professional and personal life.

I look forward to getting to know you and your children and to working closely with the staff at École Riverview. Wishing you all a joyful and restful summer!

Warm regards,

Rachelle Tétrault

ÉCOLE RIVERVIEW SCHOOL

FAREWELLS:

After 19 incredible years at École Riverview School, it is time for me to say goodbye to a place that has been so much more than just a workplace—it has been a second home. I will be moving to another school and pursuing a new opportunity this fall. I am deeply grateful for the amazing families and students I've had the privilege to work with throughout the years. Your support, kindness, and dedication have made my journey here truly unforgettable. Watching your children grow, learn, and thrive has been one of the greatest joys of my career. Thank you for the memories, the trust, and the countless moments that have filled my heart. I will carry them with me always.

Mme C. Vermeulen

Dear Riverview Team,

As we are approaching near the end of this school year, to say goodbye seems difficult to me. I want to express my gratitude for the time spent together while working for the achievement of goals for positive learning and co-curricular activities. Your support is really appreciated and will cherish my memories forever.

We will remain in contact and, also sometimes I will pop out with delicious Samosa treats for my fellow friends at École Riverview. Thanks again for your support, guidance and great collaboration while my teaching journey in our great school.

A Prochaine.
Beant Kaur Uppal.

Not goodbye but see you all soon!

I've had the MOST fun teaching your kiddos this PE term with my incredible teaching partner Ms McKenzie and I'm so thrilled this expert is sticking around fulltime to teach PE next year. I promise I'm not going far and will be subbing for everyone at ERS and get a chance to stay close to this incredible school and community!! My personal highlights from this term were bringing in my best friend and Olympian Desiree Scott to meet and speak to all the students which I hope they all valued that experience! I also loved bringing my two loves of music and dance to our spirit week and DJ the dance parties. Getting to see the students and staff boogie down was simply the best! I will definitely see you all on a Wackydoodle dancefloor soon too! Knowing so many of the students already being from the neighbourhood and growing up here was a very special experience! I also loved getting to know the students and staff I had never had the pleasure of knowing before. I feel very lucky to have gone to this school in the 90's and to have a full life circle moment to come back and teach was so cool! I wish everyone the very best this summer and see you all very soon!!

Ms. Karli

Dear Riverview Community,

I arrived at Riverview in January and quickly felt a true sense of belonging. In such a short time you have all made a deep impact. I have been honoured to learn and laugh with so many of you.

Thank you for your help with French, smudging, pirating, dancing, math, dinosaur running, and reading. I will miss you all, but I'll also take your support with me.

Warmly, Robyne "Mac'N'Cheese" MacKenzie
