Welcome Back / Bienvenue!

Happy New School Year! Welcome new and returning students to École Riverview School!

Welcome back to returning staff and a special welcome to our new staff.

Bienvenue to Mme Melissa Champagne, our Inclusive Education Resource Teacher. We are excited to have her join our school community! For a complete list of staff members please see page 2.

A very big **THANK YOU** to our custodial team who have prepared the school for another year of learning. They have exceeded expectations by going beyond the call of duty. We are very appreciative of their hard work and dedication to our school. **MERCI!**

Our teachers have been working hard to make sure everything is ready for our students. We are all looking forward to spending a great learning year with our students and families at ÉRS. If questions or concerns arise through-out the year, please contact your child's teacher first. If you feel further information or discussion is needed, please call the school or come to the office to make an appointment to speak with either one of us. A reminder that communication with staff regarding school matters should take place between 8 am and 5pm, Monday to Friday.

The staff at École Riverview School is here to assist, guide, and encourage your children's learning. They are an amazing and hardworking team. We invite you to continue to be part of this learning partnership with the school. Please note that we continue to search for parent volunteers for the lunch program, to work in our library or in various capacities during the school day. If this could be you, please fill out the applicable forms attached in order to become a volunteer at our school this year.

Please be advise that supervision of students begins at 8:45 am prior to the 9:00 am start time.

We look forward to another successful and rewarding year with you all. École Riverview School is a friendly and supportive school community that works together to provide the best possible learning environment for our students.

*Together in learning,
Ms. Cinzia Caputo, Principal*

ECOLE RIVERVIEW SCHOOL PARENTS ADVISORY COUNCIL

WELCOME BACK !

We are excited for the 2023/2024 year to commence. There are many opportunities for parents to get involved in school-based events and initiatives that ERSPAC has planned this year. ERSPAC is a great way to connect with other parents at the school and take part in your child's elementary school experience. All parents and guardians are welcome to attend our meetings, volunteer on projects and events and lead/influence planning of initiatives to support our students.

PLAY STRUCTURE SUCCESS

After several years of planning, with a few unforeseen hiccups (Pandemic and slippery surfaces to name a few), we are thrilled to announce that the New Play Structure is almost complete! The full structure was installed last summer and was extremely well received by our students. We discovered that snowy conditions created extremely slippery conditions in the early Winter at the end of 2022 and were able to ensure extra grip features were installed to increase the overall safety for all children. In the Spring of 2023 we embarked on the second phase of the project that included some much needed landscaping. There is one last feature to be installed this fall. Special thanks to all current and former ERSPAC members so provided time outside of their busy days to see this project come to fruition. **And most of all, thanks to every parent, guardian and student who fundraised: we could not have done this without your continued support!**
