

Registration Form 2024-2025

Children who will be in grades 1 – 6 for the 2024-2025 school year are eligible to register.

If your child stays at school over the lunch hour, you must register and pay for this program. Food is not provided through the lunch program. Fees cover the salary of lunch program staff who supervise students as they eat in the classroom and play outside. It is very important you register to secure your spot and so that we can ensure adequate staffing & have important information regarding your child on file.

We are happy to announce that Jamie Ramirez will remain the Lunch Program Coordinator for the 2024-2025 school year. She was a Rockwood parent and has worked the lunch program for several years.

For the upcoming school year, Rockwood School will be piloting a balanced school day schedule.

There will be two nutrition breaks in the day: a 20-minute nutrition break at 10:45 and a 25-minute nutrition/lunch break at 1:05, followed by 30 minutes of outdoor activity. Parents will need to label snacks and lunch to ensure students do not eat all of their lunch in the morning.

Please read the attached registration form carefully and fill one out for **each child**. Regardless of which payment option you choose, you must complete the form and send it in with corresponding payment.

RSPC is excited to announce reduced fees + increased discounts for multi-student families!

Three payment options are being offered; see the registration form for details.

We do have some basic food on hand in case a lunch is forgotten, but children who repeatedly forget their lunch and require one provided by the lunch program, will be billed \$5.00 each time.

Please send napkins and cutlery. The lunch program **does not** supply these items. Rockwood School also encourages the use of re-usable containers and the reduction in the amount of packaging sent in lunches.

Lunch Program staff are paid to supervise your children. For the safety of your child, attendance is recorded each day. If your child will not be attending lunch program, you need to inform the school office.

Please inform the lunch program of any changes in your contact information during the school year.

There is absolutely no sharing of lunches! Rockwood School is an **allergen aware school**. Please refrain from sending items that contain or “may contain traces of peanuts and/or tree nuts”, in your child’s lunch. There are children with life threatening allergies and we want to ensure everyone’s safety. Parents are advised to speak to their children about this rule. This is necessary to reduce the possibility of allergic reactions and will also ensure that your children receive the nutrition that you intend them to have.

If you have additional questions, please contact Jamie Ramirez, Lunch Program Coordinator at rockwoodlunchprogram@gmail.com.

**** If ANY part of the form is received incomplete or correct payment is not attached, it will be returned to you and your child will not be registered for lunch program. ****
