

Sargent Park School Community Report 2023-24

2 Sargent Park Place, Winnipeg, MB, R2E 0V8

Phone: 204-775-8985 | Fax: 204-786-5859 | Email: sargentpark@wsd1.org

Our Purpose

Sargent Park School, in close partnership with its families and community, provides a nurturing and active learning environment in which students become healthy, creative, life-long learners and cooperative, responsible, global citizens.

Our Vision

At Sargent Park School, we envision a dynamic and inclusive learning community that empowers every student to flourish academically, socially, and emotionally. We strive to create an atmosphere that nurtures creativity, critical thinking, and problem-solving skills. Through our commitment to inclusive teaching methods we aim to engage students in meaningful learning experiences that promote curiosity, exploration, and personal growth. At Sargent Park, we strongly believe in the importance of fostering the whole child. We are dedicated to providing a variety of extracurricular activities, clubs, and sports programs to discover and develop each student's unique talents and passions. Furthermore, we are committed to promoting a school culture that values respect, diversity, and celebrates every individual's unique strengths.

About Our School

Sargent Park School is located in the West End of Winnipeg, Manitoba, Canada within the Winnipeg School Division. We provide a comprehensive educational experience from Nursery to Grade 9. Our school has an enrollment of approximately 735 students.

This year, students engaged in meaningful, inclusive and purposeful learning opportunities. Executive Functioning Skills were explicitly taught to help students feel confident in their day to day living.

Teachers provided opportunities for student voice and choice in a variety of settings both academic and extra-curricular. As a result, students were appreciative which therefore led to a strong sense of belonging.

This year, teacher learning was in the areas of: Neurodiversity, Indigenous/Treaty Training, Mamahtawisiwin, STEAM, the Arts, Artificial Intelligence Workshops, and Math/ELA/Science/Social Studies PD which had a high impact on student learning.

Our dedicated staff at Sargent Park are committed to prioritizing the well-being of our students. Sargent Park School takes great pride in fostering a strong sense of family and community within our distinct Nursery to Grade 9 student population.

In our hallways, student voice was key to the selection of words that were chosen to be painted throughout the entire school. Students identified specific words they felt were representative of who we are at Sargent Park School.

Highlights

Breakfast Program

Priorities for 2024-25

The two areas of focus are intentional planning for all and building meaningful relationships where students feel a strong sense of belonging in a caring, inclusive environment.

Belonging:

Teachers will:

- Plan with purpose and the end in mind
- Provide rich and meaningful experiences to engage all learners
- Celebrate students' many, many strengths
- Be mindful and supportive of students' experiences and how that impacts their daily lives
- Have high expectations of themselves and our students

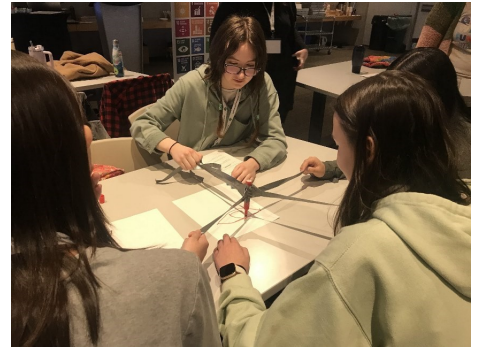

Planning:

Teachers will:

- Plan with intentionality and meaningful inclusion
- Collaborate to plan, develop, and enhance student learning and teacher practices
- Communicate their purpose and learning intentions with our students
- Provide consistency in strategies they are using
- Design learning using a multi-disciplinary approach
- Be reflective of their practices, adjust accordingly, and consistently strive to improve
