

MEET

Mme Farrage

Bonjour! My name is Melanie Farrage and this is my 6th year teaching at Ecole Sir William Osler School. I had a wonderful summer with family and friends, camping, hanging out by the bonfire and exploring outdoors with my doggie niece Sweet Pea. I also had plenty of quality time at home, reading, doing puzzles, bbqing and drinking cool drinks in the backyard. Looking forward to a great school year. .

THIS YEAR IN SALLE 2

This year in Salle 2 we are going to become fluent readers, speakers and writers in French, working hard to improve our French language skills everyday. We are going to learn how to add, subtract, multiply and divide, and develop our mental math skills. We are going to work on becoming responsible global citizens and SO MUCH MORE!
