

INCLUSIVE EDUCATION RESOURCE TEACHER & GUIDANCE COUNSELOR

Mme Sara Tham, École Sir William Osler

C'est moi !

I was a classroom teacher in kindergarten, grades 2, 4 & 5. I completed my Special Education certificate at Université de Saint-Boniface and continue with a Master's in Inclusive Education. Areas of interest include: additional language learning, co-teaching, teacher mentorship, and sense of belonging. I look forward to being with you all at SWO this year!

À l'École SWO :

To support students, staff, and families in a safe, caring, and inclusive environment, I :

- collaborate with staff to plan, implement, and evaluate appropriate and meaningful academic programming
- support social-emotional skill development and sense of belonging amongst students (work with others, conflict resolution, understand feelings, recess play)
- assist families in access of resources to help our children succeed;
- coordinate programming with clinicians and divisional staff.
