

# Meet the TEACHER

*about me*

Bonjour! My name is Mme Nicole Ferraro. I have been teaching French Immersion for over 25 years, which is hard to believe! Time flies when you do something you love! I am very excited to be returning to Ecole Sir William Osler this year!

*experience*

I have taught at a handful of schools in the Winnipeg School Division, in the following roles/grades: Grade 1, grade 2, grade 3, Kindergarten, Nursery, Reading Recovery (French and English) literacy support.

*things i love*

Spending time with my family and friends, walking my dog, playing piano, meeting new people, and of course, working with kids!

Mme. Nicole
