C'est moi!

- This is my fifth year at ÉSWO, a kind and welcoming community!
- I collaborate with staff to support students' academic and social-emotional learning through co-teaching and professional learning communities.
- I coordinate services with our families, school team, WSD clinicians and divisional staff.
- I facilitate the Roots of Empathy program.
- I am a Master's student at Université de Saint-Boniface, researching student belonging in French Immersion program.
