

WELCOME TO MS. ALBIANI'S CLASSROOM (ROOM 225)

My name is Ms. Sarah Albani and I have taught at Sister MacNamara School for 7 years. I am excited to get to know each of my new students this year and look forward to our time together. When I'm not at school I love reading, going for walks and playing with my two sons and three cats!

ELA This year we will be focusing on expanding on ideas, using organization and editing and revising their writing pieces. In addition they will work on becoming better readers by reading a variety of texts, building comprehension, and learning strategies to use when stuck while reading.	MATH In math we will be learning new concepts and strategies and expanding on previous knowledge. We will focus on mental math strategies, place value, counting, patterning, subtraction, addition, multiplication, division and problem solving.
SCIENCE We will be learning about structures, growth and changes in animals and plants, and forces that attract and repel through participation in hands-on activities throughout the year.	SOCIAL STUDIES We will be learning about connecting with Canadians in our community, province and country, exploring Canada and the world, and taking a look at an ancient society.
HEALTH We will be learning about how to get along with others, how to live a healthy life, and how to resolve conflicts. We will also be learning about the 7 teachings and how they apply to our lives.	YOU ARE ALWAYS WELCOME! If you have any concerns or questions don't hesitate to contact me by phone- 204-942-6965 or email- salbiani@wsd1.org I look forward to an awesome year :)
