English Language Arts

In writing we will learn to edit and publish our work while becoming more aware of who the audience is and what the purpose for our writing is. We will be doing lots of shared writing, modelled writing, and celebrations of our work.

Guided reading in small groups will give students an opportunity to learn about different genres of books, strengthen comprehension and practice helpful reading strategies. Students will be encouraged to read at home either online or using our home reading program (details to follow).

Science & Social Studies:

In Social Studies, community, place, and Canada's history and geography will be explored through various hands-on activities and co-operative learning experiences.

Science Inquiries will explore:

- Habitats & Communities
 - Weather
 - Sound & Light
- Forces & Simple Machines
 - Rocks & Minerals
 - The Human Body

HOMEWORK
