November 11	No school - Remembrance Day
November 22	No school - Inservice
November 29	Hot Lunch

The students, staff, and communities of Winnipeg School Division are committed to truth and reconciliation through building relationships with Mother Earth, the original peoples of this land, and the stories that bring us together. We acknowledge the place in which we gather is on Treaty 1 territory, the homeland of the Red River Métis, and the ancestral lands of the Anishinaabe, Ininiwak, and Dakota Oyate peoples.

Bus Ridership

By: Gavin Timothy Fernandez

Bus Ridership, what's it for? How does it work? Bus Ridership is like an instruction manual, it has steps and rules. Bus Ridership has a wonderful Bus Operator to teach students about how to behave inside of the bus. The Bus Ridership happened on Thursday, Oct 17, 2024. Bus Ridership was basically a "What not to do, and why we don't do it." It also showcased emergency exits inside the bus, important items, and a "what to do in this situation." It finally ended by using the emergency exit at the back of the bus.

TP Classroom Spotlight

By: Dana Christopher

Ms. Labossiere started teaching in February 2014, but she started off as a nanny for eight and a half years before that. She has taught grade 4 and has been teaching grade 1 for 3 years. She really likes to teach her grade 1 students how to read and write and loves math.

For her students on the other hand they love music and reading and sometimes math. Yes, they do have homework which is also known as home reading. The kids range between 5 and 6 years old and their least liked subjects are gym, UFLI, science and writing.

Mrs. Spencer started teaching in 2005 and she LOVES to teach math. Her first job was at McDonalds and after she became an awesome teacher. She has been teaching for 26 years

Then we have Mrs. Forrest. What Mrs. F. likes most about the class is the kids and her coworkers, she always helps with anything and everything, last year she was in a different grade 1 class. What a lucky class!

Halloween

By: Shantal Castillo

It is October 31st and we are going to have a party at school! So, you put on your costume, then get ready for school! When you first go inside the school, you will notice most of the students and teachers are dressed in awesome costumes for Halloween! Throughout the day, your class and music/P.E teacher will show you some fun and exciting Halloween activities for you and your classmates. In the morning, some things go on like normal, but some things are changed for the spooky day. Sometime in the afternoon, all classes will be sent to the gym for a wonderful parade! In the parade, you will dance in a circle around the whole gym with the rest of the school. After the parade, you will be sent back to your classroom to do one more little Halloween activity before you go home! When you do go home, you will now have to wait for the special day that is Halloween.

A Surprise Award

By: Sophie Barrion

Working as a teacher in Tyndall Park is a big responsibility! It's not very often that a teacher gets an award, but this month, that all changed. Say hello to Ms.Dow! She is an amazing P.E. teacher and she has won the 2023 - 2024 PHE Manitoba Early Years Physical Educator Award! That sure is a mouthful! I imagine it would be shocking to hear you won the award for best Phys. Ed. teacher, so I decided to interview the legend herself.

When asked, how do you feel about getting the award? She answered: "I feel shocked, honoured, I feel like I'm making a difference." When I asked her, why did you choose to be a Phys. Ed. teacher? She said: "It's very rewarding, and I like being able to know every kid in the school, and to be able to teach them for seven years, and to get to really know the kids and watch them grow up." When she was asked, what motivates you to work your hardest? She hesitated, and answered, "The kids and students, and knowing I'm making a difference in their health for the long term." Such inspirational words!

A Note from the Editors (AKA: the Adults)

Some Reminders/Notes:

- Students should be arriving at school at 8:50 as that is when doors open for entry.
- Start getting your cold weather gear ready, it'll be here before we know it! Winter coats, ski pants, boots, hats, mitts, scarves - make sure they all fit and are in good working order!
- We will have our first "Hot Lunch" of the year on November 29th. Order forms for this pizza lunch will be sent home on November 18th and will be due with money on November 25th.

Soccer Frenzy

By: Jacob Cruz

Grade 5 and 6 students in the Tyndall Park School soccer club have participated in their soccer tournament! The schools they went against were École Lansdowne, Faraday, Waterford, and École Garden Grove. I was in the Tyndall Park School soccer team so this article is from a soccer player from our team! In our very first match, we went against Lansdowne and it was really fun. We won against them and we scored about 3 goals. Our next match was also against Lansdowne but it was their other team. We won 2-0 and then we got to go to the other zone and our next opponent was Faraday. We scored 4 GOALS but then they came back with 3 goals. But we still won 4-3. Our next opponent was Waterford and this is when the challenge began. We almost scored but they saved it and then ran into the box and shot the ball past the goalie. We almost had no hope but we are Tyndall so we scored more goals to make it a tie! I forgot what the final score was but it was a draw and a really good game. Our final match was against Garden Grove and I think we won 2-0 against them. This tournament was really awesome and I hope for the best for the future soccer players that are representing Tyndall Park.

TP Staff Spotlight

By: Gwen Guno

In this article, I have interviewed Mrs. Bui-Arias, one of our grade 2 teachers, and asked her some questions! One of the things that I have found out is that, her favourite food is sushi, her favourite colours are gold and pink, she has dyed her hair around 6 colours in total which are; brown, pink, gray, blue, blonde, purple. I have asked her what her favourite book is and she said that it was a book called 'Remarkable Remy' that she read to her class a couple years ago. She cried over the story because she said it was just such a beautiful story about friendship. Apparently, she hasn't always wanted to become a teacher, and wanted to become a veterinarian because her best friend from a long time ago wanted to be one so she wanted to be one too! Mrs. Bui-Arias said she is closest to Ms. Basaraba, Ms. Figueiredo, and Mrs. Bagri-Sidhu. How she describes her class is that their main traits are empathy and kindness, which they show by taking care of each other, helping each other, and encouraging one another. She wanted to become a teacher because her older sister was one and she volunteered in her class and that's how she found her love for teaching. Some minor facts about her are that: her favourite hobby is playing with her puppy, Mochi! Her favourite Pokémon is Snorlax, and her opinion of what the hardest year to teach was is during Covid because everyone had to be isolated and it was just really hard for the sudden new rules.

Ordering a coat

Thank you for your partnership in Koats for Kids

Each year, from September to January, thousands of Winnipeg children and families reach out to Koats for Kids to ensure they can weather the cold winter months in warmth and safety.

Since parents cannot order directly through Koats for Kids, we rely on schools, daycares and agencies like yours to ensure that important support is there when it's needed most.

What to expect

Order processing time is dependent on donations and volunteers.

As soon as your order is ready, we'll contact the person listed on the order form. Collection appointments are generally scheduled Monday through Thursday between 9:00 a.m. and 4:00 p.m. at the Koats for Kids Volunteer Centre located at 231 King Street.

If you have any questions, experience difficulty accessing the online order form, or require additional information, please contact Koats for Kids at 204-586-5628 (KOAT) or email koats@unitedwaywinnipeg.ca.

United Way Winnipeg follows a privacy policy that meets all legislative and regulatory standards. For more information visit unitedwaywinnipeg.ca.

If you've received a request for clothing, simply visit KoatsforKids.ca and fill out the order form.

Coats are sent with a hat, mittens and neck warmer. Boots and ski pants are provided on request and when available.

FOR MORE INFORMATION:

Please call our school Office at (204) 633-0065 and ask for Marni.
