Regulations governing procedures and operations for the hours of work/operation as determined by the Chief Superintendent.

1. "Banked Time" Program for Office Staff

The following guidelines will apply for the accumulation of banked time:

1.1 Personnel Eligible

- 1.1.1 Office clerical employees and employees in the Administrative 1-10 Group, Administration Buildings, Prince Charles Resource Centre and Child Guidance Clinic are eligible to participate in the banked time program. Part-time personnel and those who work only when schools are in session are not eligible.
- 1.1.2 Participation is subject to receiving approval in advance from the individual's supervisor, section head, department supervisor or principal and authorized by the employee=s Superintendent or Department Director.
- 1.1.3 The banked time period may start any time from July 1 of each school year.

1.2 Banking Time

- 1.2.1 Not to exceed thirty (30) minutes per day (except for authorized overtime).
- 1.2.2 Not to exceed a total of five (5) days in any one (1) year unless prior authorization is given by the Chief Superintendent or designate.
- 1.2.3 Authorized overtime of not less than thirty (30) minutes may be banked on a straight time basis if desired, subject to prior agreement with the supervisor.
- 1.2.4 Banked time shall only be allowed when there is work which must be completed and this work cannot be accommodated during the normal working day.
- 1.2.5 Banked time may be used for one (1) or two (2) days absence at any one time.
- 1.2.6 The approval of the appropriate Superintendent or Department Director must be obtained with respect to: (a) the employee's participation;
 - (b) when the extra time is to be worked; and
 - (c) when the "banked" time is to be used.

In some cases it may be possible, at the time the employee elects to participate, to determine the date(s) when the "banked" time is to be used. However, this may not always be possible and a decision will need to be made later when the needs of the service and staff requirements for particular days can be more definitely ascertained.

A person who reports to more than one supervisor (e.g., in more than one school) must have the approval of both supervisors before making plans for banking time.

- 1.2.7 Full service must be maintained by all departments throughout normal office hours.
- 1.2.8 Accurate record-keeping shall be the responsibility of the Principal or Department Director.
