Our Purpose

Winnipeg School Division provides a learning environment that fosters the growth of each student's potential and provides equitable opportunity to develop the knowledge, skills, and values necessary for meaningful participation in a global and diverse society.

Our Vision

Is for current and future people learning and working within Winnipeg School Division to be:
Engaged, Confident, Inspired, and Successful Learners.

Our Mission Statement

Grant Park High School provides a safe and respectful learning environment where students of all abilities are challenged and encouraged to develop the knowledge, the sense of responsibility and the skills needed to achieve excellence in a rapidly changing world.

About Our School

Grant Park High School is a grade 7 to grade 12 school situated in the south end of the Winnipeg School Division. Grant Park High School is comprised of a dedicated community of students, staff, and families committed to a learning environment built on positive relationships. The school offers a wide range of academic, performing arts, technical training, and athletic opportunities. We also house comprehensive Inclusion Support Services Programs.

Grant Park's staff is comprised of a principal, two vice-principals, and 75 teachers in the following areas: English, math, science, humanities, resource/inclusion support education, guidance, physical education/health, band, drama, choral, dance, visual art, English as an additional language, Indigenous graduation, industrial arts and human ecology. Grant Park's support staff include a librarian, career intern, computer technician, kinesiologist, and educational assistants. Additional support is provided by a team from Clinical Support Services which consists of a reading clinician, social worker, psychologist, speech/language pathologist, occupational therapist, and audiologist.

WINNIPEG SCHOOL DIVISION

Highlights

Academic programming at Grant Park High School takes place in a safe, positive learning environment and is focused on the acquisition of skills that will support life-long learning. All grade 7 to 12 students are assessed on an ongoing basis to provide current, accurate, and consistent information in relation to specific Manitoba Education curricular learning outcomes.

This school year was met with many challenges, changes and adjustments. COVID-19 safety and protocols were at the forefront of many program-based decisions throughout the year. As the year progressed, the building started to see 'normalcy' on the horizon, and programs returned from a two-year hiatus.

Parent and Community Involvement

The home-school partnership is an essential component of academic success at Grant Park. The school's Parent Advisory Community Council facilitates increased understanding and communication about students and the educational process. Celebrations of learning take the form of student-led conferences, Inquiry, Heritage and Science Fairs.

School daily announcements and information are communicated via the public address system, Twitter, email, hallway TV, and school website.

Visual and Performing Arts Department: Building on a legacy of success and hard work, this year's department offerings showcased student choral, band concerts, musical, dance, painting, sculpting, sketching, and theatric learning. Highlights from the past year included the Musical and Drama Performances for High School, Middle School and Inclusion Support. Each year a number of students are accepted into prestigious Fine Arts university programs showcasing the skills and experiences they have acquired at GPHS.

Grant Park Teen Clinic: Located in Student Services, Grant Park's Teen Clinic is available on the second Wednesday of each month. Students are encouraged to make an appointment.
