### Our Purpose

Winnipeg School Division provides a learning environment that fosters the growth of each student's potential and provides equitable opportunity to develop the knowledge, skills, and values necessary for meaningful participation in a global and diverse society.

## École Luxton School

### Our Vision

Is for current and future people learning and working within Winnipeg School Division to be:  
**Engaged, Confident, Inspired, and Successful Learners.**

École Luxton School has a rich heritage of meeting the needs of this diverse community. Built in 1907, École Luxton School is the oldest school in Winnipeg operating as an elementary school. There is a long tradition of building community leaders, one that continues today.

École Luxton School is a dual track school, offering programs in both English and French. The English program offers a multi-age philosophy of teaching and learning for grades Nursery – Grade 6. The French Immersion program offers language rich learning for grades Kindergarten – Grade 6.

École Luxton School promotes a climate of academic and social excellence. High expectations are in place to help support and encourage all students to be successful, individually and as a valued member in the class, school, family, community and society.

École Luxton School plays an integral part in the community in which it is situated. The strong ties with the Luxton Community Centre and the many community connections we nurture on a daily basis, all enhance our strong belief in community and relationship building.

## Priorities for 2021-2022

Priority #1 – To continue to provide a robust and comprehensive education, equitable access, diverse opportunity and a supportive learning environment for all students, while helping to prepare them for their journey with values of social justice and citizenship.

Priority #2: To further improve school attendance and achievement rates through the exploration of additional programs and strategies.

Priority #3: To further develop initiatives and innovative approaches to address individual student needs, accessibility requirements and mental health issues.

Priority #4: To continue to communicate and partner with the communities we serve: parents, families, government, business, health and social service agencies, other community organizations and our valued volunteers, in order to enhance student opportunity.

Priority #5: To strengthen and enhance sustainable development initiatives that address environmental, social and economic issues.

Priority #6: To continue to develop our French Immersion school identity, supporting and celebrating an appreciation for the French language and French-Canadian culture.

Priority #7: To engage student learning through Indigenous perspectives and content.

## Priorities for 2022-2023

Priority #1 – To continue offering a robust and comprehensive education, that includes equitable access content from our Indigenous perspective, while providing diverse learning opportunities and a supporting learning environment for all students.

Priority #2: To assess our initiatives and develop innovative approaches to address individual student needs, accessibility requirements and mental health issues, and to continue effective best practices.

Priority #3: To reconnect with the communities we serve: parents, families, government, business, health and social service agencies, other community organizations and our valued volunteers, in order to enhance student opportunity.

Priority #4: To strengthen and enhance sustainable development initiatives that address environmental, social and economic issues.

Priority #5: To continue to develop and expand our French Immersion school identity, supporting and celebrating an appreciation for the French language and French-Canadian culture.
