Our Purpose

Winnipeg School Division provides a learning environment that fosters the growth of each student's potential and provides equitable opportunity to develop the knowledge, skills, and values necessary for meaningful participation in a global and diverse society.

Our Vision

Is for current and future people learning and working within Winnipeg School Division to be:

Engaged, Confident, Inspired, and Successful Learners.

About our school

Meadows West School opened in April of 1988. The community is continuing to expand and grow larger and more ethnically diversity. There are 448 students that attend Nursery to Grade 8.

At Meadows West School students have the opportunity to explore ideas and be creative. They have the opportunity to participate in school activities and clubs to develop their leadership skills and engage in meaningful discussions about current events and issues globally.

Students have the opportunity to participate in a variety of extra-curricular activities including, sports, the Arts and STEM activities.

Parent and Community involvement

Meadows West Parent Association

We were fortunate to have an amazing group of parents continue to be a part of our Parent Association for the 2022-2023 school year. We also welcomed many new parents joining the Executive Committee.

Together they ran several successful fundraisers. Successful fundraising meant that the Meadows West Parent Association could contribute to a variety of initiatives such as:

- Field Trips
- Grade 8 Farewell Celebration
- Patrol Appreciation
- Extra-Curricular Activities
- New Equipment purchasing
- Support for Community Members.

The MWPA runs a successful school lunch program.
There are 20 community member employed as Lunch Program Supervisors

Access NorWest and Intercultural Support Workers (ISW's)

Access Nor West has provided numerous opportunities for our families to enrich their lives. They offer Community Advocacy Training, Mom Discussion groups and Welcome Newcomer events.

ISW's have supported our school and families. Throughout the fall home learning packages were provided to Nursery and Kindergarten families and ISW's provided food drop off services for families in need of assistance. The ISW supported the school by communicating with families in language other than English and providing translating services during parent teacher conferences.

City Councilor Vivian Santos

City Councilor Vivian Santos has continued to provide support for the construction of an outdoor learning area. We plan to break ground in the Fall of 2023. In addition, Vivian Santos continues to be an advocate for the Filipino Bilingual Program which is opening in September 2023. Meadows West will be the first school in WSD to start the Filipino Bilingual Program for Kindergarten and Grade 1.
