**SCHOOL MISSION STATEMENT**

Our Mission at Mulvey School is to provide a learning environment that promotes and fosters the growth of each students' potential and provides an opportunity for the individual student to develop the knowledge, skills, and values necessary for meaningful participation in a global and pluralistic society.

WSD|150

Mulvey School is a Nursery to Grade 6 school in The Winnipeg School Division of Cluster 1965. Mulvey School is very proud to have many wonderful programs that help to provide the necessary supports some students may require. The school is home to an Autism Program, Learning Assistance Centre, COACH Program and other innovative programs including: Full Day Kindergarten, Talk to Me, Read to Me Literacy Framework and Special Projects Initiatives. These terrific programs, combined with the integration of arts, sports, education for sustainable development, along with high standards of academics, make Mulvey a wonderful school for students to learn, grow and flourish. This Community Report has been compiled to provide you with highlights and achievements of the 2021-22 school year.

We believe in child-centred programming that develops skills in dealing with change and problem solving, based on the Manitoba Curricula. This ensures that all students are included in the learning process according to their intellectual, social, emotional, and physical needs. We value community involvement in both curricular and extra-curricular activities. We honour and appreciate the cultural diversity of our community, thereby enabling all of our children to grow and learn in a constructive and holistic manner. The education of your child is of great importance to Mulvey Staff. We ask that you join us in celebrating the educational journey of 2021-2022 as you look through our Community Report. We have worked together to ensure that your child finds our school to be a safe and stimulating learning environment. Together, we have successfully partnered in the education of your child and have accomplished many great achievements. The entire Mulvey School Educational Team worked diligently to help each student achieve his or her individualized learning goals, and together as a team we have much to be proud of.

BELIEVE EXCEL SUCCEED TOGETHER

During the 2021-2022 School Year, six priority areas were identified. These six priority areas will continue to be focused on in the 2022-2023 school year:

The Mulvey School Priorities are developed in partnership with the community of learners to meet the needs of our school. They are created based on community collaboration, data and feedback gathered from students, staff and parents, as well as accounting for Provincial and Winnipeg School Division Priorities.

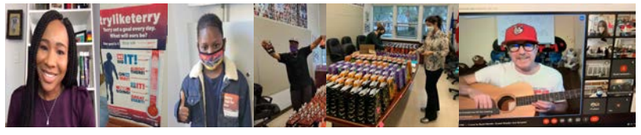
**Parent and Community Involvement**

"Mulvey School is great because the staff are all very helpful and you can learn things here, have fun, and spend time with your friends. Making the WSD150 Banner was cool."
*~ Student*

"So excited my child is attending Mulvey School. The school programming for students and parents is phenomenal and inclusive. It is clear that diversity is celebrated at Mulvey and that the themes of belonging and life-long learning are extremely important. The staff are always enthusiastic and helpful, and we are so happy our kids are flourishing here." *~ Parent*

"Math days were awesome! We got to learn around the school and solve some real-life math problems." *~ Student*

"My favourite gym times were when we got to go outside. This year we got to ski, snowshoe, and play with the giant ball outdoors. Urban camp was pretty cool too! The star dome was wicked. It was like nighttime in the school! The stars were so bright!" ~ Student



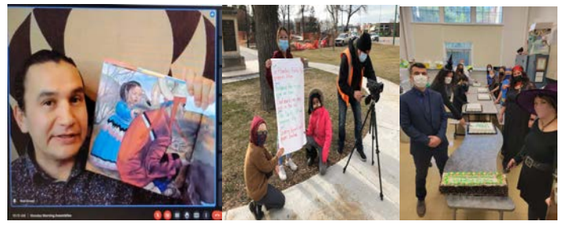
"Mulvey is like a family that always welcomes you in. During the past years with the pandemic, it has been so comforting that the school ensures the home-school relationship stays strong through greetings, outdoor meetings, online assemblies, phone calls and more." ~ Parent

## Mulvey School 2021-2022 Priorities:

* **Students**: To provide robust and comprehensive education, equitable access, diverse opportunity and a supportive learning environment for all students to help them prepare for their journey with values of learning and social justice, and be responsible community members.

* **Learning Outcomes:** To further improve school attendance, achievements & graduation rates through the exploration of additional programs and strategies.

* **Addressing Barriers to Learning:** To further develop initiatives and innovative approaches addressing individual student needs and accessibility requirements, mental health issues, child care needs, and nutritional needs.



* **Communications & Partnerships with Community**: To further develop communication and partnerships with the communities we serve, parents, families, government, business, health and social service agencies, Indigenous education, other community organizations, and our valued volunteers.

* **Sustainability:** To strengthen and enhance sustainable development initiatives that address environmental, social, and economic issues.

* **Employees:** To Increase the leadership capacity and professional development opportunities.
