## February 2026

### PRINCIPAL'S MESSAGE

I hope the first month of 2026 has gone as well for you and yours as it has for us at school !

Whether on the basketball court (**Go Scorpions, Go!**) or in our classrooms, I have been bearing witness to a joy and a love of learning that could warm even the coldest of winter days.

Tibert and Douzie, local musicians capped off the month with workshops and a concert that brought smiles to many as we said goodbye to January.

In February, classrooms will be buzzing with excitement around Black History Month, the Concours d'art oratoire, Heritage Fair research projects, and Science Fair preparations.

Year At A Glance

These rich learning experiences always spark curiosity and meaningful conversations among students.

Be on the lookout for an email that will be sent announcing the date of our next Parent Council meeting.

February promises to be a jam-packed and celebratory month as we honour Black History Month and take part in Festival du Voyageur festivities.
