Dear Gladstone Families,

We have reached the end of another exciting year! I want to extend my deep gratitude to all of you for the opportunity we have had to learn with your children over the course of the year.

Last month I referenced the Branches Assembly that was scheduled for the month. I apologize if the dates were inconsistent and am sorry if any of you missed this amazing gathering. Grandma Janice shared with us her message of love and care for Mother Earth and then we spent time in our “Branches” groups talking about how we can show love and care for each other - from the youngest students to the oldest staff member! Each of us created a leaf with our name on it and attached it to a branch. These

branches have now been joined to a trunk to create Our Gladstone Family Tree. This tree is standing in the entryway of our school and we would love for you to come have a

look and see if you can find your child’s leaf. This tree is a concrete representation of how all of us belong at Gladstone and is just the start of some exciting ideas that will seek to connect each of us to each other and to our beautiful earth!

-Mr. Nikkel
