Dear Gladstone Families,

It is hard to believe that we are already into October! We ended the busy first month of September this week with a powerful assembly and walk to honour the National Day for Truth and Reconciliation and Orange Shirt Day. Seeing students share their learning around this important topic during the assembly was extremely impactful. The assembly started with a whole school Children's Blessing Song which highlighted the value of community and collaboration and has now become a tradition at this assembly. Presentations from individual classrooms included student ideas around how they should feel at Gladstone School, a video highlighting learning connected to one class's attendance at the divisional Pow Wow, and the sharing of books our youngest students have been using to learn about truth and reconciliation. Students also shared pledges they had made for the year, a slideshow of what matters to students at school, and a Spirit Rock display along with a number of other learning connections to both truth and reconciliation. The learning and reflections students presented to their school community was deep, genuine and moving. The "Every Child Matters" walk that followed this assembly declared, once again, to our community our desire for all children to be seen, valued and heard. Hearing them chant "Every Child Matters" and seeing them boldly holding their student made signs high reminded me of why I chose to be an educator. As students have not always been able to do this Canada this was very meaningful to witness. We also recognize that there is still much work to do to bring equity to all children.

I am extremely proud of our students and staff as we continue to learn about the truth of Canada's past and present and seek to find practical ways, we can be part of the reconciliation our country so desperately needs. The future looks bright knowing that your children are the ones who will be shaping it!

Sincerely,

Mr. Nikkel

SPECIAL NOTES

PICK UP / DROP OFF

In order to keep our students safe, we want to clarify pick up procedures:

- If you are stopping on the opposite (north) side of Gertrude
 - You may only do so if you can find a spot right at the curb (double parking blocks off the street)
 - Students must cross at the cross walk with the patrols to get to your car in order to keep them safe
- If you are stopping on the school (south) side of Gertrude
 - You must be past the start of the playground fence
 - Students should enter the vehicle on the sidewalk side so they are not walking out into the road

Also, we would like to remind parents of the parking restrictions stating that there is no stopping in front of the school until where the fence for the playground starts.

LATE / ABSENT

If your child(ren) is going to be late and or absent from school, we ask that you use our Safe Arrival Absent Management System. Please see below for further information.

What is SafeArrival?

SafeArrival is an absence management system that improves student safety and makes it easy for you to let the school know about your child's absence.

You are asked to report your child's absence in advance whenever possible using one of these convenient methods:

SchoolMessenger app (free)

1. Provide your email address to the school.
2. Get the app from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>).
3. Tap **Sign Up** to create your account.
4. Select **Attendance** from the menu, and then select **Report an Absence**.

Web and Mobile Web: go.schoolmessenger.ca

1. Provide your email address to the school.
2. Go to the website.
3. Click **Sign Up** to create your account.
4. Select **Attendance** from the menu, then select **Report an Absence**

Interactive Toll-free Phone 1-855-278-4513

1. Call the toll-free, interactive telephone system.
2. Follow the instructions to report an absence.
3. Record the confirmation number at the end of the call.

If you hang up before this is given the absence will be cancelled and will not be reported to the school.

Whenever an absence is reported or updated, you will receive a confirmation notice by email (assuming you have provided your contact information to the school).

If you don't report your child's absence in advance, the automated notification system will try to contact you (using the communication preferences if you have set them up in the SchoolMessenger app). This may include push notifications to the app, email, phone calls. You will be asked to provide the reason for your child's absence immediately. You may do so using the phone line, website or mobile app.

If an absence is not explained within approximately 20 minutes of the time that the school starts the notification process, school staff will follow-up to make sure that your child is safe. If you try to explain an absence using SafeArrival, but are then told that it is past the cut-off time, please contact the school directly.

If you don't want to receive notifications when your child is absent, be sure to report your child's absence in advance.

If you do receive notifications of your child's absence, be sure to provide the reason as quickly as possible, using one of the 3 methods listed above or during the phone call notification itself.

Absences can be reported in advance:

- 24 hours/day
- 7 days a week
- For any school day in the school term
- Up to the cut-off time on the day of the absence.

SPECIAL NOTES

LIBRARY NIGHT

Hello Gladstone families! We would like to invite you to attend **Library Night** at the school on **Tuesday October 19th** from **3:30pm-5:00pm**. Please come in from the front door of the school and go upstairs to the library.

Students can take books out of the library to read at home and return when they are done. We will have activities planned as well as refreshments. We hope to see you there!

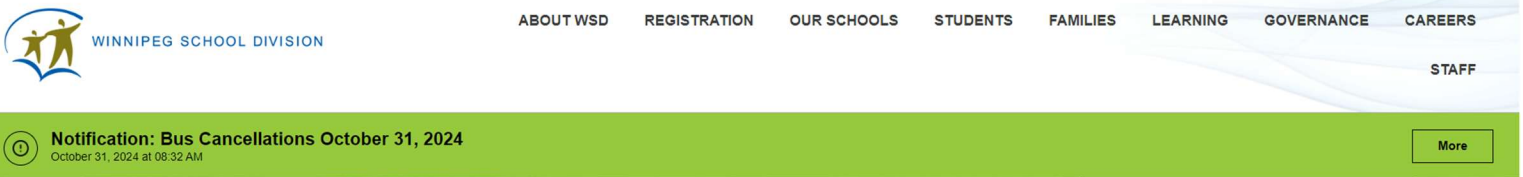

TRANSPORTATION (BUS SERVICE)

We ask that parents/guardians check their email regularly, as this is the form of communication the transportation department uses to notify you of any route changes or cancellations. These occurrences are few and far between but are usually last minute, so checking your emails in the morning may be helpful to make sure you are notified of any changes.

In addition, you can check the Winnipeg School Division web page (www.winnipegssd.ca), there will be a bright green banner across the top of the page if there are any cancellations to note. If you click on the “more” button (far right side of the green banner), it will bring you to another screen that gives you the breakdown of the bus routes effected – examples shown below.

If there are any questions, comments or concerns please reach out to transportation directly at 204-789-0452
