## Message from Administration

Dear Families,

Happy New Year! We look forward to a positive and productive start to 2026 at Keewatin Prairie.

As you're aware, we transitioned to a Balanced School Day model for the 2025-26 school year. This structure has supported staff in offering tremendous club opportunities during the longer movement breaks. We are excited to continue supporting students' diverse interests and passions through clubs such as Pow Wow Circle, GSA, Zumba Lunch Club, RISE Girls Group, Middle Years Indigenous Leadership Group, Blue Collar Club, and Remote-Control Car Club. In addition, the dedicated staff at Keewatin Prairie support students through incredible dance and athletic opportunities before and after school, as well as during scheduled movement breaks.

While the weather forecast looks mild for the next few days, please note that when cooler temperatures return, students will remain indoors when the temperature is -27°C or colder. When temperatures fall between -27°C and -30°C, patrols will be on duty for a maximum of ten minutes before and after school. Patrols will not be on duty if temperatures fall below -30°C.

As you will see in the list of important dates on the next page, there is much to look forward to at Keewatin Prairie in the coming months. Thank you for your ongoing support and partnership, and please feel free to reach out at any time.

Take care,

Bowen and Sari
