CALENDAR

Don't forget to take a look at the monthly calendar so you're up to date on what's happening at our school.

Message from the Principal

Dear Parents/Guardians,

Happy New Year and welcome back! I hope everyone had a restful and joyful winter break filled with time to relax, recharge, and connect with loved ones. Thank you to all who attended our winter concert and our pancake breakfast on the last day of school in December. Having families and friends in our building is always a memorable experience for our children. A special "Thank you" to staff who made our year end celebrations special.

January always marks a fresh start and an exciting time for learning as we settle back into routines and set goals for the months ahead. Winter weather is now fully upon us. Please ensure students come to school dressed appropriately for outdoor learning and play, as fresh air and movement remain important parts of our day whenever weather permits. We also appreciate your continued support with punctuality and regular attendance, as being at school every day makes a big difference in student success.

Thank you for your ongoing partnership, kindness, and support. Together, we look forward to a positive, productive, and rewarding year ahead.

Warm regards,

Lloyd Rana

Principal

Winnipeg School
Division

For Your Information

Winter Concert

Our school winter concert was a joyful celebration of music and community. Students worked hard to prepare their performances and proudly showcased their talents through song and instrumental pieces. Families and staff enjoyed a warm, festive evening that highlighted the creativity and spirit of our school.

Pancake Breakfast

Our school recently hosted a pancake breakfast that brought students, parents, and staff together for a warm and welcoming morning. Families enjoyed sharing a meal with their children while having the opportunity to connect and mingle with school staff. The event fostered a strong sense of community and partnership within our school.

PREVENT COLDS & FLU

Every year, new strains of the influenza virus are introduced to Manitoba. The flu season in Manitoba usually begins in the late fall and lasts into the spring. Our best response, as members of the community, is to prevent spreading these viruses.

1

WASH

Wash your hands for at least 15 seconds with soap and warm water.

2

COVER

Cover your mouth and nose when cough or sneeze with your elbow or tissue.

3

DONT' TOUCH

Avoid touching your eyes, nose or mouth.

4

AVOID

Avoid close contact with those who are sick. Wash your hands.
