June 2026

Community BBQ

Join us for the
Parent Association's
Lord Roberts Community
BBQ on Wednesday, June 4,
from 5:00-8:00 p.m.!

Come enjoy family activities
and games! This will be an
evening of connection and
celebration with our school
community.

We look forward to seeing
you there!

Quackmire & Prof Pancakes

Room 31 students have been wonderful hosts as they fostered and cared for two ducklings, sharing their learning with the school community and coordinating class visits in the courtyard.

They are also exploring the life cycle of Silkie chickens, with six eggs currently in the incubator and expected to hatch around June 16.

School Message

School Day - Our school is excited to be introducing this secure online platform for managing school activities, payments, and communication. Families are able to sign forms, register for events, and receive important school information all in one place.

Please sign up so you can stay connected and access all features.

End of the Year Events - As we enter the final month of the school year, June is filled with exciting learning opportunities for our students. Classes will be participating in field trips, special events, celebrations, and year-end activities that help bring learning to life. Attached is a monthly calendar highlighting the many events taking place throughout June to help keep everyone organized and informed. Thank you for your continued support as we finish the school year together!

OUR SCHOOL IS ONLINE WITH SCHOOL-DAY!

Our school is now using School-Day, an online portal that helps parents manage school activities, payments, and communications—no paper required.

School-Day can be securely accessed from any web browser and gives parents the ability to:

- View announcements, news, and school information
- View and sign permission forms online
- Register your child for extracurricular events and activities
- Sign up for parent/teacher interviews
- Make online payments

No more sending forms and cash to school in backpacks—together, we can make school activities easier to manage and reduce the environmental impact of printed material.

Visit [SCHOOL-DAY.COM](https://www.school-day.com) to get started.

WSD SCHOOLS HOT WEATHER

us attachment

Winnipeg School Division has 78 schools, with some being the oldest school buildings in Manitoba. The average age of our school buildings is 70 years old, with 16 buildings over 100 years old.

The cost to install and make all our schools fully air conditioned is approximately

\$130 Million

- 32** facilities with full air conditioning
- 27** facilities partially air conditioned (i.e. only in modern school additions or gymnasiums).
- 19** facilities with no air conditioning

WSD includes air conditioning upgrades in our yearly 5-Year Capital Plan submissions to the Province.

Keeping students and staff cool

WSD implements the following techniques:

- Running ventilation systems early in the morning to cool schools before arrival
- Controlling outside air intake during the school day
- Using oscillating fans to create air movement
- Minimizing using overhead lights
- Switching off unused classroom electronics
- Closing shades to block direct sunlight
- Taking cool-down breaks between lessons
- Avoiding excess movement during midday heat
- Encouraging students and staff to stay hydrated
- Checking students and staff for heat-related health symptoms
