

MEET THE teacher

Welcome to grade two/three!

Salut tout le monde,

I'm so excited to be teaching in Room 4 again this year! With the limited time I've spent with my students so far, it's already evident that this is a kind, enthusiastic, and supportive group. I'm confident the classroom community will grow to be even more caring and creative as the year unfolds.

In Room 4, students will develop their oral French skills, read engaging books, explore math through play, and express themselves through writing, drawing, experimenting, and creating.

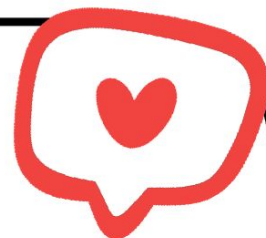

About Me

I am Kaila Allegro. I have been teaching for nine years. This will be my eighth year teaching at École Sir William Osler. Time sure flies when you're having fun!

I believe fostering a good connection with each student is the best way to help them on their learning journey.

When I am not teaching, I enjoy spending time with my friends and large family. I am also a dog "auntie" and love taking our boxer, Baffin for long walks.

A Few of My Favorite Things

Colour: Purple, Orange, Pink.

Book: Maybe Someday, Maybe Now, Harry Potter.

Drink: Coffee!

Food: Phở, Thai food and pasta.

Candy: Chocolate!

Hobbies: Finding and listening to a variety of music and music festivals, traveling, NHL specifically the Jets. Go Jets go! Swimming, spin, crossfit.

Spending time with my loved ones.
