WHO AM I?

I'm a passionate and energetic Physical Education teacher dedicated to helping K-6 students develop healthy habits, motor skills, and a lifelong love of movement. I believe every child deserves to feel confident in their body and experience the joy of physical activity.

P.E. PHILOSOPHY

I love being a K-6 PE teacher because I get to watch students grow, build confidence, develop new skills, and discover the joy of being active. Most importantly, I want students to learn that PE is about having fun, trying their best, supporting others, and finding activities they enjoy. My goal is to help every student build a positive relationship with physical activity that lasts a lifetime.
