## MARCH 2026

### PRINCIPAL'S MESSAGE

Bonjour à tous !

As March comes to a close, we are pleased to end the month on several positive notes. It was a pleasure to see so many of you last week during our Student-Led Conferences on March 19th and 20th, as we celebrated our student's learning. Your presence and support mean a great deal to our school community and truly contributes to the success of our students.

During the last several weeks, It has been fun watching our world wall map project grow, helping us answer one of Senator Murray Sinclair's four questions, "where do we come from?". More to come on our world wall map project next month! We also had a wonderful time this week celebrating : *La Semaine d'Esprit*. It was great to see so much enthusiasm and school spirit from our students throughout the week.
