

MEET THE TEACHER

ABOUT ME

Hello! My name is Marie Kozyra and it is my first year at École Sir William Osler as a Learning Support Teacher!

This will be my 8th year in Winnipeg School Division, where I've taught a variety of different subjects, and I have 3 years of Guidance Counselling experience ranging from Grades N - 12. I am incredibly excited to be joining this community where I plan to foster a supportive and welcoming environment, as well as build meaningful relationships and encourage student growth and confidence!
