

Dream, Dream, Dream.
Dreams Transform into Thoughts,
And Thoughts result in Action.

Welcome!

I am so excited to be your Math and Science teacher this year! I can't wait to learn, explore, and achieve amazing things together.

A LITTLE ABOUT ME

I am passionate about helping students build confidence, think critically, and discover the joy in solving problems and exploring the world around us.

When I'm not in the classroom, you can find me reading, spending time outdoors, traveling, or enjoying time with family and friends.

I am also an author of SCIOEMS Book.

MEET THE TEACHER

SUKHWANT KAUR GHATTAHODE
(MS.G.)

HELLO! I'M

7/8 Math & Science Teacher

My goal is to create a positive, supportive classroom where everyone feels valued, challenged, and inspired to do their best.

MY TEACHING PHILOSOPHY

I believe every student can succeed with the right mindset, tools, and support.

I encourage curiosity, perseverance, and teamwork in everything we do.

WHAT WE'LL LEARN

In Math, we will build strong problem-solving skills, explore real-world applications, and grow in our understanding of key concepts.

In Science, we will investigate, experiment, and discover the amazing world of life, earth, physical, and space science.

Inculcating Indigenous perspective in Math and Science.
