

Meredith N. McGuinnes

About me

Bonjour/Hello/Boozhoo! It's great to meet you! My name is Meredith, and I teach Grades 4 and 5 in Salle 111 at École Sir William Osler. I hold a Master of Education from the University of British Columbia in Modern Languages. I'm passionate about sharing my love of French with others, listening to live music and taking them time to ensure that each and every person I meet feels that their voice matters.

I am an educator, stepmother, sister, wife, auntie, friend, cat-mother, learner, cook and swimmer.

I am always looking for ways to learn and grow, so I'm always excited to meet new people and hear their stories.
