

Madame Nicole

Meet the TEACHER about me

Bonjour! My name is Mme. Nicole Ferraro. I have been teaching French Immersion for 30 years, which is hard to believe! Time flies when you do something you love! I am proud to say I was one of the original staff members when Ecole Sir William Osler began its journey as a French Immersion milieu school back in 2015.

experience

I have taught at a handful of schools in the Wpg School Division in the following roles/grades: Gr 1-3, Kindergarten, Nursery, Reading Recovery (French and English) literacy support. This year I will be teaching Grade 1/ 2 in Room 7.

things i love

Walking my dog, listening to music, dancing, reading, watching my kids play soccer, family game nights, visiting friends and family and working with kids!
